Fall is here and the leaves will be turning soon. This also means the winter party season is coming up. If you are interested in having a party for your business, family or friends, the Club is a great place to have it. Call me soon to book a date.

The city offices are almost complete. The next project on our docket is remodeling the waiting area outside the business office. With more traffic expected, we are making plans to give the waiting area a facelift as well. We are very happy to welcome our new neighbors and hope to work together on many different projects moving forward.

Golf cart access to the Fairhaven neighborhood will also begin construction soon. The access will be directly behind #12 green at the bottom of the hill. We look forward to opening up this access and getting our other neighbors more active in the Club as well.

Be on the lookout for a new menu arriving in November. We are making our menu more efficient by reducing its size and keeping our most popular items and dishes we can make the quickest. We understand the length of time it takes to get your food is an issue and we believe this will be the first step in speeding up our service to you.

See you at the Club!

Ladies League

September has been a busy month for members of the ladies league. The Crystal Cup was September 12 &13th. What an event it was!! The team played at Fremont Hills on the first day and the score was FH 4 ½ to TO 3 ½! Oh my goodness we had our work cut out on Wednesday. So our team rose to the challenge the next day when we played at Twin Oaks and came back and won the cup FH 9 to TO 7. We got to keep the cup since it has been in our possession for the last seven years!

The Missouri Senior Women's Golf Association tournament was September 6 & 7. Eight of our league players went to Osage National golf course which is located in Osage Beach, MO. We had winners too! Four of our members won in their respective age group. Pat Jackson won 2nd in D flight, Nellie Morrison won 2nd in E flight, Nancy Brown won 2nd in F flight, and LaNita Brumley won low new in E flight. Way to go Fremont Ladies!!

The league had their Fall business meeting on September 19th and then went out on the course for a golf scramble and play with the pro game. Mike and Justin played with the league members and we had a great time. We elected officers for the 2018 golf season at the business meeting. Carmen Thomas is President, Carol Lineberry is Vice-President, Donna Patterson is Treasurer, Susie Cirillo is Secretary, Harriett Morrison is the sunshine lady, Connie Erickson is doing the games, and Cindy Hail manages our website page on the clubs' website.

On October 3rd we held a ladies social mixer with players from five country clubs: Highland Springs, Hickory Hills, Twin Oaks, Millwood and Fremont Hills. We had over 90 players.
