As we say goodbye to summer, we definitely welcome fall and the glorious weather it brings. As the leaves start to turn, the golf course is in the best shape of the year. Sam just had the greens rolling 11.5 on the stimpmeter (the greens at Augusta for the Masters tend to run at speeds of around 12-13). Some good news to report for the Club, the membership continues to grow. To date, we have brought in 95 new members for a net gain of 30 more members to our family at FHCC! The increase in membership has kept our pool busy, restaurant sales up, and our rounds of golf through the roof!

Even during the pandemic, we have made strides to improve our amenities including: curbside service in the dining room, new furniture at the pool, and most recently, resurfacing the tennis court with the addition of pickleball. Pickleball is one of the fastest growing sports in the world. Many of our snowbirds play when they head to Florida and Arizona for the winter but FHCC wanted to bring it to all of our members. Just visually improving the area was needed. The response and play happening on the courts is a huge bonus! During our Grand Opening Event, we had around 80 members of all ages come to check it out, listen to a free clinic, and watch a match between some local area pickleball pros (yes, there are pickleball professionals!). We are working to setup more lessons, clinics, and leagues for our members. We could not be more proud of all the hard work that went into making the updated courts possible. This was made possible by the capital improvement fund and many private donations. If you haven't played yet, give it a shot. It is a ton of fun!

We will be bringing back the employee bonus fund for our staff members. This is a \$20 fee that is applied to everyone's accounts on November 1st.* FHCC employees are our family and we want to make sure they get a bonus for the Holidays, especially this year during the pandemic.

*If you would like to opt-out, please notify the business office by November 30th.

Reminder - FHCC has many homes that line the fairways of the golf course. We don't always hit it straight and sometimes golf balls end up in someone's yard. Please remember to be respectful of others property when looking for your golf ball.

Capital Improvement Fund

The Capital Improvement Fund continues to make strides to improve our facilities. To date, this fund has completed the following projects: new west stairs, resurface/reseal the parking lot, new pool furniture, reinforced the bridges on hole #17, and helped to resurface the tennis/pickleball courts. The fund is also being used to finish off the parking and water drainage for the tennis/pickleball courts. We can't thank the members enough for supporting this fund as this allows the Club to keep progressing forward on much needed projects. I believe we all can see how beneficial it has become.

Grill & Pub

The Grill & Pub has had a busy summer! Even with the dining room being closed to indoor dining for a couple months in the Spring, food and beverage sales are well exceeding expectations. A big part of that is the great job Jaimey and her staff are doing with a great menu and great service. Comment cards are enclosed in every check and almost all of them come back with positive reviews! FHCC couldn't be more proud of the job Jaimey and her staff are doing in the restaurant. The Thursday night specials continue to be a hit and we hope everyone will continue to support these great meals. See below and mark your calendars for the upcoming specials in October and November:

Cart or Treat - Friday, October 30th at 6pm

Join us for the second year of this fun event. The pavilion will be decorated for Halloween, there will be a themed buffet available (our staff will serve it), and we want as many carts decorated to hand out candy to kids as we can. Last year we had about 10 carts that were decked out for the event. Lets see if we can double that! Bring the kids in their costumes for a Cart or Treat!

Thanksgiving Buffet - Thursday, November 26th at 11:30am

This year's event will be a little different than years past, although what hasn't been different with COVID. We will be limiting the amount of people to the first 60 who make reservations. The buffet will be served by our staff instead of self serve. Even with these changes, it is going to be a great event! Jaimey has a great menu and always puts on a great buffet. Call soon to get your reservations set before we fill up!

Pro Shop

The temps are dropping, the leaves are changing, but there is still plenty of awesome golf to be played. The course has been in phenomenal shape this year thanks to Sam and his staff. Just an FYI, Sam had the greens up to 11.5 for the 2-man medal match play.

October Fremont Hills Hosted Events/Course closures:

- October 3rd- Fremont Throw Tournament
- October 12th- Young Life Scramble (Course closed)
- October 17th - Superintendents Cup
- October 24th & 25th – Fremont 3-Man Scramble

November Fremont Hills Hosted Events/Course Closures:

No Golf Events

The Superintendents Cup was a big hit last year! There is a draft party Friday night to select the teams, then on Saturday we battle it out on the course. This is a great event to thank Sam for all of the work he does. All of the benefits of the event go to any project he wants to complete that wasn't originally in his budget. It's only \$50 per person, and includes lunch on Saturday. (Many could not play last year, but paid a registration fee or made a donation to support Sam and his staff)

The Fremont 3-Man Scramble is new for this year! You will play a 3 man scramble Saturday, and play into a flight. There will be a Calcutta following play on Saturday and you will play in your flight on Sunday. Check Clubster for all the details or call the Pro Shop to ask any questions.

The Pro Shop has started to get more fall/winter gear for both women and men. Be sure to check it out before it is gone!

Clubster- If you haven't joined Clubster yet, you need to join in on the new, informative social platform, exclusive to Fremont members. This is 100% free to you and gives you all the information you need to know. It provides daily info, tournament schedules, special sales in the pro shop, and dining menus. If you have any questions or need help signing up, please let the Pro Shop know as we will gladly assist you!

This year has been a very weird year, but the support you all have offered the staff here has not wavered and it is much appreciated!
