August has been a whirlwind month with all the activities, tournaments, and school starting back up.

With school back in session, pool hours have changed to 4:00—10:00 p.m. Monday through Friday, 11:00 a.m.—10:00 p.m. Saturday, and 11:00 a.m.—6:30 p.m. on Sunday. The pool will close on September 18th. Come on out for the last few weeks!

Our Annual Membership Meeting was held on August 11th, where we presented the state of the Club, the improvements that have been made and are planned, and the direction we are headed in the near future. The Board and I have been working together on new marketing ideas, controlling expenses, along with making improvements by thinking “outside the box.” I feel the Club is in a great position to take these steps forward. It won’t happen overnight, but the ball is definitely rolling.

The NFL Season is coming soon with opening night on Thursday, September 7th. Come join us for Football Night at Fremont where the Chiefs take on the Patriots. The festivities will start at 6:30 p.m. with Cornhole, Ping-Pong, food and drink specials, and the game projected on the big screen! This should be a fun night and be sure to wear your Chiefs red to see the Chiefs take down the Super Bowl Champs! (Jerseys allowed!)

The City of Fremont Hills voted to allow golf cart access from the Fairhaven Neighborhood to the Fremont Hills Golf Course. This is contingent on coming up with a plan that is safe, aesthetically pleasing, and cost effective. We are very excited to have this access open to our current members that live in this neighborhood as well as many prospective members. We are working with the city and the Fairhaven HOA to get the path done as soon as possible.

The office space for the city is also under construction and will be finished in the next few weeks. We are looking forward to having them as neighbors and continuing to grow our relationship.

There is still plenty of great golf weather this fall and it’s a great time to recruit a member. Give me a call and we can get your interested friends out for a complimentary round. Sam has done such a great job on the course that it will sell itself!

See you at the Club!

# Ladies League

August was filled with games, tournaments, and great weather for our members. Our Fremont III was again a huge success thanks to the hours of work and planning by the committee. There were 34 teams which is 102 players. Many compliments and praise came from our own members and the guests who played in the event. Thanks also to the men who unloaded and loaded golf bags each morning and to those out on the course serving water and soda. Special thanks to Marge Demorast and Anita Blow for passing out cold towels.

The guest 1/3 day was August 22. The theme was Route 66. The rains came and went so we played 9 holes and got to give out the prizes. Pat Jackson and her committee of Susie Cirillo, Judy Callantine, Connie Erickson, and Carolyn Cope worked incredibly hard to make the event a success.

The much anticipated Crystal Cup is set for September 12 & 13. Our 16 member team will play at Fremont on Tuesday September, 12 and then play Twin Oaks on Wednesday, September 13th. Let's hope the outcome is that we get to keep the Crystal Cup. We've had it in our Pro Shop for a total of 7 years. It has never yet left our possession!!!

The Club Championship was August 19 & 20. Carmen Thomas is our 2017 club champion. Dianna Devore won low net. 11 players & one marshal (me)! Connie Thiede, Alicia Armsrong, Carmen Thomas, Nellie Morrison, Diana Devore, Nancy Brown, LaNita Brumley, Aliene Mills, Connie Covey, Robin Cross & Pat Jackson.

# Grill & Pub - Employee of the Month

Congratulations to Hailee Erter on receiving an award for outstanding performance. This award is provided by the team members and management to the employee we believe contributed most to the club's success.

Hailee goes out of her way to help the members of Fremont Hills as well as the staff. Hailee has taken on a leadership role within the club with grace and understanding and has maintained a positive attitude when the team struggled with direction and the allocation of resources. I personally would like to thank Hailee for her commitment to FHCC. In the time I have served as manager, anytime I have had a conflict in scheduling, Hailee is always here to step up and lend a hand. She has been quoted, "I don't want the club or members to suffer, just let me know where you need me and I will be there."

Hailee is to be rewarded with a \$25 gift card to her choice of restaurant or local grocery store. Please make sure to recognize this outstanding young lady and thank her for her hard work and talents. Keep it up Hailee!
