Happy New Year to all of you! I am greatly looking forward to pushing forward and growing on the success that came even in a pandemic stricken year! The ability to play more golf than normal was about the only positive that came from the pandemic, as we saw a large increase of rounds played in 2020! That partnered with the increase in members, we are set to have a great year in 2021 at Fremont Hills!

January Fremont Hills Hosted Events/Course closures:

- **Snowman Scramble Series- Saturday, January 16th.**

This is a new fun series created for 2021, so get your warm gear out, those heaters started, and save the date! Full details are at the end of this newsletter with the event flyer.

DO NOT forget, that all credit book needs to be used by February 28th. We have had a great response to everything being on sale in the pro shop in the absence of the PGA sale in Springfield. So, come check out the shop to see what is left, as it is all still on sale. We can still order your golfing needs to use that credit book, but there is no sale pricing on ordered items. Speaking of ordering new items...LADIES...we now have an account set up with Glovelt.com. This is a ladies website that offers fun and exciting golf bags, accessories, and some apparel. To know what your price would be, take 10% off of whatever it is listed for on their website. We have an account set up with the majority of major retailers based in golf, so please always ask if there is something you want to purchase. We will do our best to get that exact product or an equivalent product with a current account we have.

Winter Cart Rules

The dreaded part of golf season is here! The cold is settling in, but don't let that hamper your spirits, as we have simple rules to follow to allow you to continue to play through winter!

1. **All Par 3's** - Carts Remain on the path at all times. (Nothing bad yet, this always applies)
2. **Holes #2, 4, 6, 7, 14, & 17** - Carts Remain on the path at all times for these specific holes. Yes, these are additions to the cart path rules, but this protects the fairways from damage going forward. As hard as Sam works for us to make them perfect, this is where we can do our part to help him out and stay off of these!
3. **Please keep carts in the rough as much as possible and less in the fairways.** The tire marks left on dormant grass is plain as day, so let's keep these visible lines going side to side and not long treks down the fairways from tee box to greens. This will keep the fairways in better shape throughout the winter and allow us to come out of dormancy as strong as they were last year.
4. **YELLOW STAKES** -These will be out on all holes, **ALL PLAYERS MUST** return to the path and **NEVER** drive past these. This will allow protection for the sensitive areas of the course.
5. **Please follow all signage on the course at all times.** There is additional signage out on the course during this time to make sure it is easier to remember the additional rules that are set in protection of your golf course.
6. **All members who do not follow these rules will be asked to remain on the paths at all times.**We encourage people to ride two to a cart to reduce the stress on the fairways over the winter. The reduced cart traffic makes a huge impact in the spring. This year, with Covid-19, it is not a requirement to combine carts, but if you have been around your party and are comfortable with it, please do so. ****Example of helping the course: If you hit just off the cart path, don't drive just off the cart path, stay on the cart path and walk over to the shot.****

Thank You, Pro Shop Staff and Sam Richart

Snowman Scramble | Series

January 16th
February 13th
March 6th

2-Man Scramble. \$35 each person

We look forward to giving you one exact date in each of the winter months to meet your competitive (but really just fun) golf needs! Pick a partner (you can have a different partner each date), and come enjoy a 2-person scramble. Open to both men and women, age appropriate tees will be used, and all will be flighted together. Number of flights will be based on number of entries. If the course is open, we will play that day. You book your own tee times and just come and enjoy the day! Each person will receive two drink tickets with their entry fee.
