As the summer approaches, so do the activities and events at FHCC.

One fun summer activity at Fremont Hills Country Club is our PGA Jr. League. FHCC started participating in this program almost 5 years ago. It provides a great bridge between team sports, and the individual sport of golf. We have had many kids participate in this program over the years that have gone on to play in high school, and now some even playing for college teams. The program is a great place to learn the game, learn the rules, and enjoy playing with fellow FHCC members against kids from other Clubs. This year, we are expanding to have three full teams. We have more kids signed up than any other course. Not only does this show the great participation we have, it shows how the Club has grown and the game is growing! New for this year, one team will be participating in a competitive area league. Theo and I believe this will be an exciting addition for years to come. Hopefully it will encourage our kids to practice more and strive to be a part of the competitive team. Even if they don't want to be a part of that team, there is still a chance to learn and compete on a less competitive level. All three teams will get instruction from our PGA Professionals.

Along with the PGA Jr. League, the FHCC Tsunami Swim Team will be starting up soon. Joseph Price had a great first year, even though COVID didn't allow us to compete against other Clubs. The kids learned a lot through those times and it will make competing against other Clubs this year even more fun. As we have seen the golf team grow, the Swim Team is growing as well. We expect a great turnout this year with more kids signed up than in years past. Joe and Brooklyn are excited to get the season started the first week of June.

Another new addition to FHCC will be pickleball leagues, clinics, lessons, and even cardio pickleball! Jarrod Smith and KaSandra Gehrke will be helping out this year. Jarrod is the Tennis Coach at Drury University and KaSandra is a professional pickleball player. They are very excited to engage our members and grow the sport this summer at FHCC. More info will follow as the season approaches.

It's going to be a great year at FHCC!

Easter Brunch

Easter Brunch is coming up on Sunday, April 4th. There will be one seating this year at 11am. Unfortunately, last year we didn't get to have Easter with COVID and this year will be a smaller version. The Easter Bunny will be available for the kids as well as for pictures. There will not be an Easter Egg hunt this year but each child will receive their own Easter Basket at the place setting. Masks and social distancing are encouraged as well. We are excited to have everyone for a nice meal and hopefully next year we can make it a large event again!

Dinner Specials

Our Thursday Night Dinner Specials continue to be a big hit. Every week there is a chance to come try something new that isn't on the menu. Each week the dining room fills up almost every table for the special. We encourage everyone to make reservations for these nights as the specials are often in limited supply. If you can't make it in to eat at the Clubhouse, you can get the special to-go! Luckily, April has 5 Thursday nights and that means 5 great specials this month. Check out the dates and specials below:

- April 1st - Crab Cakes, Baked Potato, & Slaw \$14.50
- April 8th - Seafood Ravioli with Garlic Butter Sauce, Side Salad, & Garlic Toast \$17.50
- April 15th - BBQ Baby back Ribs, Baked Potato, & Baked Beans \$18
- April 22nd - Mediterranean Chicken Skewers, Baked Potato, & Broccoli \$16.50
