General Manager

As June rolls around, we have many events coming to keep your calendars full. Our social committee has been busy coming up with new and fun ideas for this summer. Some of the activities we are really excited for this year will include Live Music! Everyone is ready to get back to some sort of normal, and we want you to join us at FHCC this summer.

The pool has officially opened! It has been a chilly start to the season but the water is warm. Unfortunately we had to postpone our first Dive In Movie but it will be rescheduled for a Friday or Saturday in the future. Along with the pool opening comes the start of Swim Team. Coach Joe Price is excited about returning to normal this year and having home and away swim meets. The kids start the first week of June and it runs through early July. If you're up early, you will see them working hard each morning since practice starts at 7:30am! Go Fremont Hills Tsunamis!

Another new addition to FHCC this year is our Yoga Classes. Emma Taylor will be teaching a Yoga class every Wednesday morning at 7am in the pavilion. If the classes fill up, we will try to add more. Come on out and get your Yoga workout in every Wednesday morning!

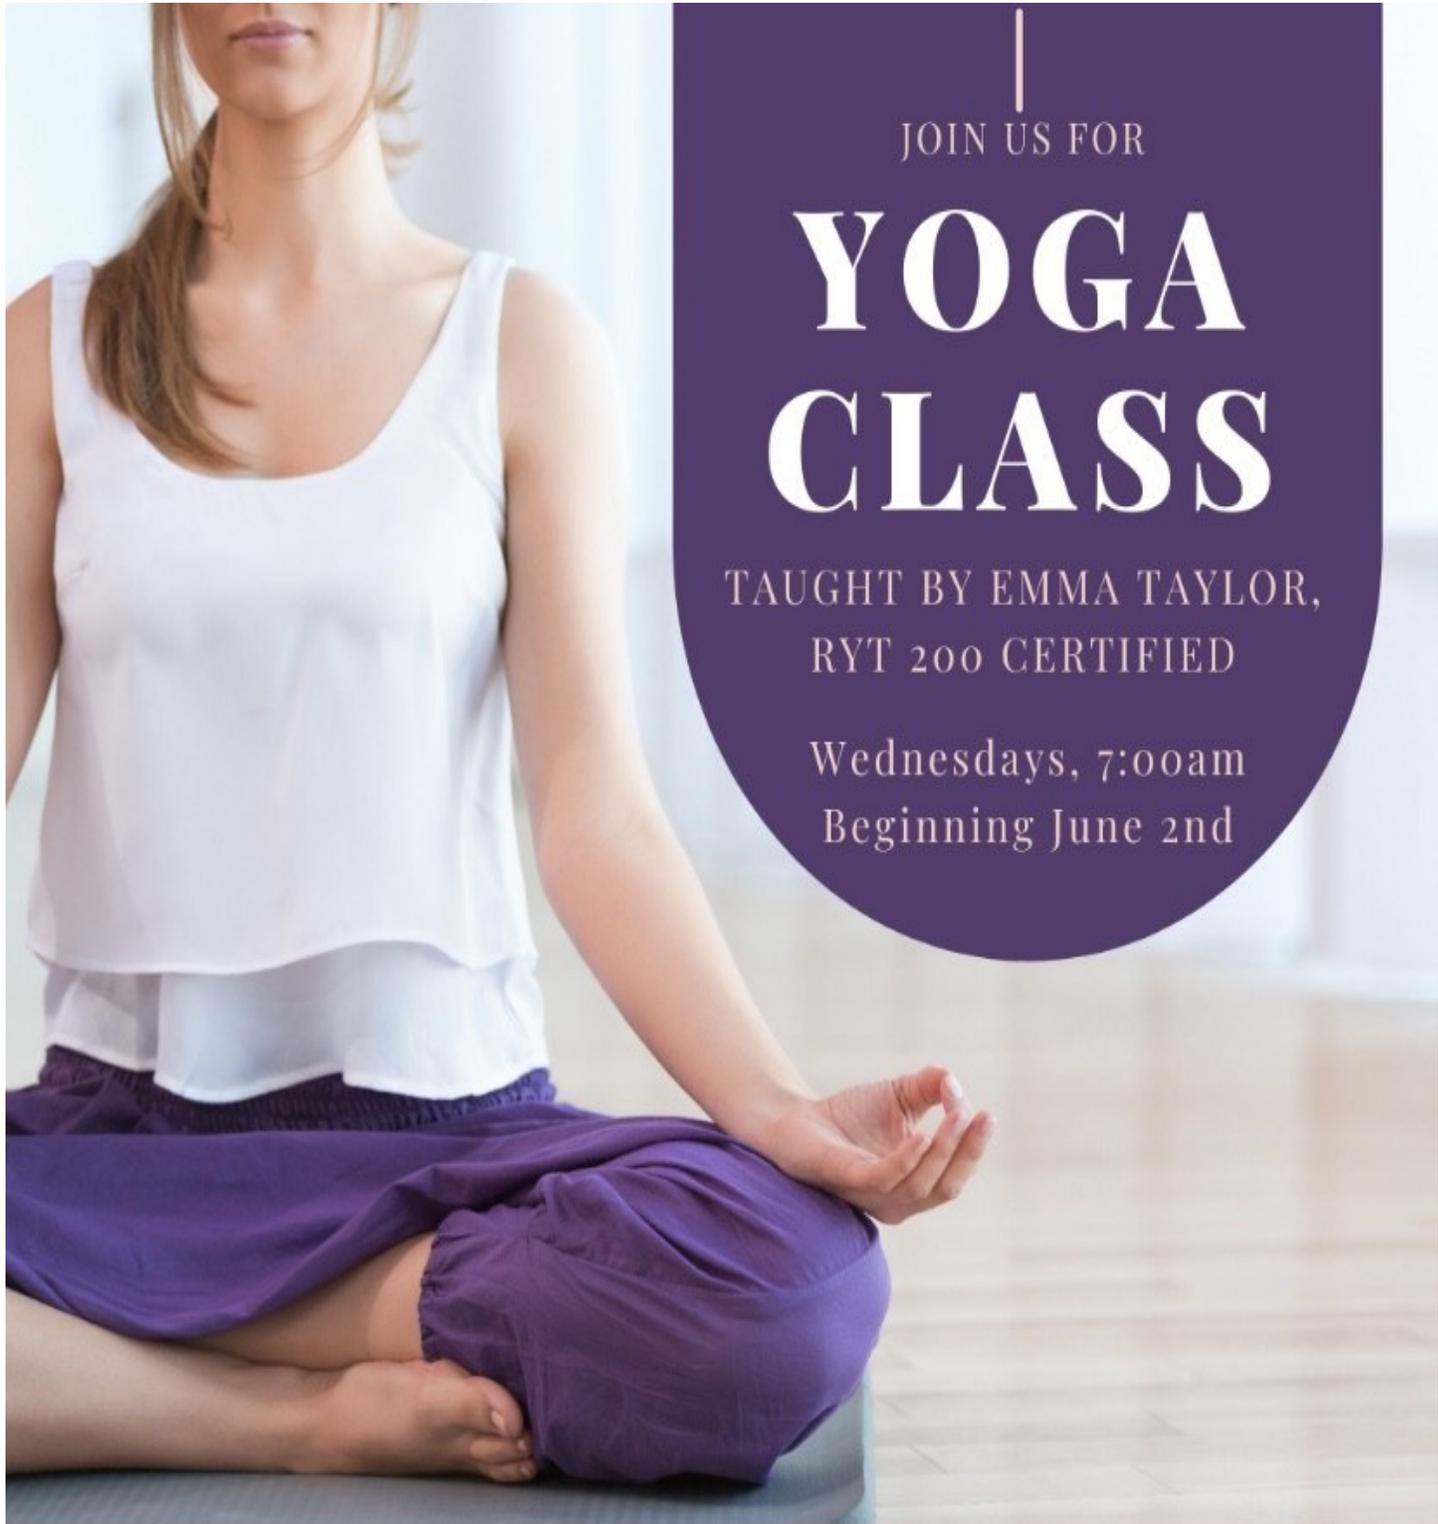

If you like to get your exercise in, you can also try out Cardio Pickleball. Come out every Wednesday morning from 10-11am at the Pickleball courts for Jarrod Smith's Cardio Pickleball class. The first day had 18 participants and we had an even bigger class for week 2!

We appreciate everyone's understanding as the Board has made a few changes to the weekend tee times. As our membership continues to grow, we have had to make some changes to try and get more members the chance to play on the weekend mornings. The Open Game has times blocked off from 10-11 both Saturday and Sunday and anyone who wants to play must call to sign up. If not enough players sign up to fill those times, we will open the back end of tee times up for anyone who wants them.

The majority of our memberships renew on June 1st, so this is a very important time of the year for FHCC. We hope everyone has enjoyed the past year and is looking forward to all the fun things we have planned! Most should have received their dues invoices in the mail. Please give us a call in the office and let us know if you don't plan to continue your membership.

See you on the course!

Cabin Fever Makeup

Since Cabin Fever had to be cancelled in January due to COVID 19, we are excited to have the new version on Saturday, June 5th. What's going to make this Cabin Fever even better is it will be outside! This year's event will be held on the Tennis/Pickleball courts, starting at 5pm. There will be a grill available for food and drinks through the Hack Shack as well as servers at the courts. To add to all the fun that night, there will be live music by Paul Thomlinson. So if you want to play in the cornhole tournament, call the Pro Shop to sign up. Everyone is welcome to also just come out and enjoy the fun and entertainment!

Summer Concert Series

Another fun addition to put on your calendar is the Summer Concert Series. The second Tuesday of every month there will be live music in the restaurant. There is no cover for these, but we think they will fill up, so call and make your reservations. Check out the flyer for more info.
