Great weather and great golf course conditions are in the forecast as we enter October. We are excited for a beautiful season, full of activities. We have a lot of opportunities for members to get involved this fall. I want to remind everyone that ALL membership levels can participate in social activities!

We are still working at over coming supply chain delays when it comes to finishing the remodel of the dining room. We ordered dining room chairs 20 weeks ago. Jaimey has been checking on the status weekly for the past month. We are happy to report that the production is now complete and the chairs should arrive next week - just in time for the holiday season! Will be adding finishing touches through out the month. We want to thank everyone for their continued support and patience during the dining room remodel.

Please reach out to me if there is anything I may do to make your time at FHCC more enjoyable!

The end of the busy season is getting closer, but we are finishing strong with a busy and beautiful October. We have a couple more awesome member events to round out our year! Keep an eye out as we will have some nice fall gear rolling into the Pro Shop. We have few hoodies at the moment, but many more are on their way.

Thanks to Ryan and Dale Fisher, our short game area received an awesome upgrade. The balls for the chipping green were graciously donated by them.

October 8th & 9th, 3-Man Scramble. Bring 3 people and have a blast. We play into flights on Saturday, have a calcutta, and then play again on Sunday for a second great day of golf. First 36 teams sign up are in!

October 21st & 22nd, Superintendents Cup. We will have a draft party Friday night and play our matches on Saturday. Come out and support our Superintendent Sam Richart. Sign Up individually.
