Springtime is finally here with some warmer temperatures and hopefully a little less rain! I know everyone here at the club is getting excited for a great spring and a full season at Fremont hills! Thanks to Sam Richart and his team for all their efforts dealing with all the rain the past few weeks, as well as aerifying the greens. The staff takes pride in the golf course conditions, and I know they are excited and looking forward to the summer. Thanks Sam!

April's an exciting time as we now begin several of our weekly member events. We begin with our weekly Ladies League on Tuesday mornings. Be sure to join us for the Ladies League kick-off Breakfast on Tuesday April 4th as we welcome everyone back as well as welcome many new members to the club. In addition to Ladies League, Thursday April 6th will be the first night of our weekly Pickleball Dink-n-Dine. Reminder, the registration for pickleball is now online, and you may access through the pickleball page on our website. Other golf events during April include the Chili Open on Saturday April 15th and several fitting days with different golf vendors. There is more information in this newsletter regarding the fitting days and how to register.

In the world of food and beverage, please join us for Easter Brunch on Sunday April 9th. We will have two seating times, 10:00 a.m. and 1:00 p.m. with two Easter egg hunts and the Easter bunny visiting all day. You may register for Easter Brunch through the admin office. In addition to Easter Bruch, local musician Joe Dillstrom will be here on Tuesday night April 11th from 6pm to 8pm. Joe's music has been influenced by the greats including Nat King Cole, Frank Sinatra, Chuck Berry and even Simon & Garfunkel. He is a wonderful singer and guitarist and I know everyone will enjoy his music.

Registration for all Junior Programs is up and running. Junior Golf, Swim Team, Swim Lessons and even Pickleball. All information and links to online registration may be found on our club website.

Thank you for all your patience during March as we switched over all credit card processing. I know this has been a challenge to provide your new credit card information but just wanted to thank you from Becky Lane, Andrea Miller, and myself for all your help and patience during this changeover.

As you probably have seen, many projects are happening at the club. Sam and his team have completed several on-course projects, we have installed new parking lot lights, added new wireless internet throughout the clubhouse, new speakers on the patio and we are already getting the pool cleaned and ready for opening day on Saturday May 27th. Summer will be here soon!

As always, we greatly appreciate your support of the club, and our staff is committed to ensuring we are delivering the member experience you deserve. Please reach out with any concerns or any ideas as to how we may continue to improve Fremont Hills Country Club.

Thanks,
Dustin Newman
