Sunday - Closed

Dear Fremont Hills Country Club Members,

As we head into February, I am excited that we are one month closer to the golf season and the beautiful spring and summer weather here in the Ozarks. January was cold and on a personal note I wanted to thank Andrea, Sam, Chloe, and all the staff here at the club for their hard work and help as we were forced to replace a water heater and furnace during the extreme cold temperatures. Thank you!

February is going to be a great month of the club as we kick it off with our annual Cabin Fever Cornhole Tournament on Saturday Feb 3rd. We have several other magnificent events planned for the month including a golf event on February 10th, Chiefs Super Bowl Watch Party on the 11th, Valentine's Day Dinner and Live Music on February 14th, and Trivia Night on the 21st. All the details of the events are in the newsletter as well as watch your clubster for more information.

Chloe and her team in the food and beverage area have been working hard to develop new menus. We are excited these will be up and running on Tuesday February 6th. This includes new menus coming out of the kitchen as well as a new cocktail menu and wine list. Be sure to stop by and let us know what you think about all the wonderful things happening in the restaurant.

Beginning later this month we will begin the practice range improvement project. We will start by pouring a new concrete pad where we will install the new fifteen hitting stations. The plan is to install the new synthetic turf hitting tee during April. This is going to be a wonderful improvement to our club.

February will also be busy for all our summertime kid's programs. We are finishing the schedule for our Junior Golf, PGA Junior League, Swim Team, Swim Lessons and our Junior Pickleball Classes. Stay tuned for more details and be sure to mark your calendars for Saturday March 9th as we will have the materials available for all the kid's events for 2024.

Thanks as always for being part of Fremont Hills and please reach out if you have any ideas as to how we can approve your experience. See you soon!

Restaurant

Chloe Hinton
Restaurant Manager

Hi members! We have had many changes in the restaurant since I started but the front of the house staff has never been better! We strive to give you the best experience while dining at Fremont Hills Country Club.

On February 6th our new wine list will go live featuring a better selection of top-shelf wines . Some of those wines include 8 Years in the Desert, Josh Rose, Season Pinot Noir, and Pinot Grigio from Bread and Butter. There are plenty more wines coming as well as a new cocktail menu every month! I have a very huge craft cocktail background and I would like my bartenders to also have this knowledge so each month there will be a training on how to make a perfect cocktail for any event, celebration, season or holiday party. The monthly drink menus will give the bartenders and the members a chance to explore and enjoy new cocktail creations.

This month we have a chocolate martini in celebration of Valentine's Day. This chocolate martini is a boozy dessert in a glass. Vodka combined with chocolate liqueur make the perfect after dinner treat for when you're craving something decadent with a wonderful chocolate flavor.

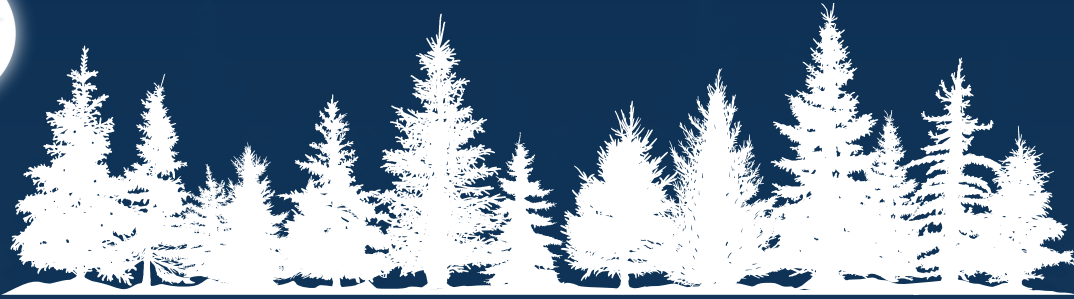

For those wishing for Spring, try something a little lighter - a peach whiskey cocktail or the All-American favorite strawberry shortcake ice cream bar - as a drink!

As we head into warmer weather you will start to see some new faces around the dining room. We will be hiring in preparation for the season. Along with the new faces comes staff training. You can help us make the member charging experience hassle free by providing your FIRST and LAST name to your server. This will eliminate any confusion during the monthly billing. We look forward to serving you and giving you the best country club experience around!

Thank you,

Chloe
