Fellow Members,

As we have come to the end of 2024 the excitement of 2025 is upon us. After a lengthy and extensive search, we are very excited to introduce our new General Manager Bryan Beatty to our club. Bryan comes to us from Drury University where he served in various roles ultimately finishing his career there as the Assistant Athletic Director. His background experience will be very beneficial as our club continues to grow and change each year. As we roll into 2025 our club remains strong and thriving! I certainly think our staff needs a huge thank you during this time starting with Andrea Miller who has again stepped in to help lead our club through the last 4 months. Jennifer Hite also deserves a huge thank you for her dedication during this time as her role has expanded to help our club. Our new Food and Beverage Director Grant Dodge has also been a tremendous addition to our team. We continue to see Matt Meyer lead our Pro shop operations and Jaime Tantone become a vital part of our staff. Sam Richart and his crew continue to do an amazing job with our grounds and greens always working to keep our course in the best playing conditions possible. The folks in the kitchen, the servers, the guys picking the range, Thank You! It truly takes all of us working together as members and staff to make such a wonderful Country Club that we are all proud of. Finally, a huge thank you to the members, the support and care that is given on a daily basis is fantastic! I am certain that 2025 will be another great year at Fremont Hills.

Thank you,
Jeff Robbins

Members,

The Month of December came and went with lots of good golfing days in the month.

We had a successful 12 Days of Christmas Sale and we are looking forward to a great 2025. Sam and his crew also finished up the project on Hole 15 and it looks fantastic!

We are planning some Pop-Up Tournaments for January and February with some different fun formats.

Myself, and Rob and Christian are also hard at work on our Junior Golf Camp and Class schedule for 2025 so be on the lookout for those details! With PGA Junior Camps coming in 2025 as well as our Operation 36 Calendar and PGA Junior League there is no better time to get your kiddos involved in golf.

WHAT'S COOKIN'

Hello Club Members and Happy New Year!

Boy am I excited for 2025, as the winds of change are blowing! Even though we are genetically programmed to fear change, through this change comes growth. What kinds of changes? Well we in the Food & Beverage department have a healthy variety of changes planned for The Club this year. New specials, new menus, new uniforms for our staff and new concepts for the Summer busy season are all in the works.

On a personal note, I will be off and out of the Club for about a week, for hernia surgery. I will be unavailable from January 8th through the 15th and then on lift restrictions for a couple of weeks after that. The toughest part for me will be NOT jumping in and helping during this time, but I bet I can find plenty to do in my office to keep me busy. On that note, please feel free to e-mail me or stop in and chat, share feedback or ideas during the latter half of January.

Thank you all again for welcoming me into The Club Family in 2024, I look forward to exceeding expectations throughout 2025.

Cheers!

Grant W. Dodge
